INTERNAL QUALITY ASSURANCE CELL (IQAC)

Maintaining the momentum of quality consciousness is crucial in Colleges. Internal Quality Assurance Cell, in fact, is conceived as a mechanism to build and ensure a quality culture at the institutional level. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards the realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it has channelized all efforts and measures of the college towards promoting its holistic academic excellence.
